鉄板焼きソース

TEPPANYAKI SAUCE

OUR TEPPANYAKI SAUCES ARE MADE IN THE KITCHEN WITH RECIPES DESIGNED TO ENHANCE THE FLAVOUR OF VARIOUS DISHES. WE ARE PLEASED TO SUGGEST THE FOLLOWING PAIRINGS FOR EACH OF THE SAUCES BELOW.

勘八トリュフ

KAMPACHI TRUFFLE

An excellent complement to chicken or beef.

Our signature sauce from a special blend of tosa shoyu & mushroom broth harmonised with a hint of black truffle & olive oil. This excellent combination combination creates a rich aroma from the truffle, famous for its strong & earthy notes.

七味味噌

SHICHIMI MISO

Perfect pairing with tenderloin & wagyu beef.

A slightly spicy sauce perfect with beautifully grilled steak. Created using quintessential Japanese ingredients such as the miso paste & dashi stock.

胡麻

GOMA

Enhances the taste of seafood.

The strong fragrance of atari goma (roasted white sesame) along with added rice vinegar gives this sauce a distinct & refreshing nutty flavour.

生姜和風

SHOGA WAFU

Specially curated for seafood & meat.

A beautiful Japanese-style sauce consists of grated ginger & garlic pan-fried to golden brown with a touch of mirin (Japanese sweet wine).

橙酢

PONZU

A versatile sauce for seafood & meat.

Sun-kissed citrus sauce with just the right amount of tanginess. Lemon & lime are soaked for a week in a special combination of ingredients including mirin, konbu (kelp) & bonito flakes. Sauce is served with a sprinkle of grated radish & spring onion.
