## KAMPACHI OPENS AT PLAZA 33

**PETALING JAYA:** Famous Japanese restaurant Kampachi recently held the soft opening for its latest restaurant in Plaza33, an extension of the highly-successful Jaya 33, here.

At the event, guests were treated to a delectable buffet, from a variety of cold cuts and assorted tempura to Japanese desserts like mochi.

Kampachi Restaurants Sdn Bhd general manager Chiharu Yabe said the new Kampachi will raise the bar for Japanese fine-dining in Petaling Jaya.

"I am confident the debut of the new Kampachi will be welcomed by those working and residing in Petaling Jaya and its vicinity," she said.

Located on the first floor, the newly-opened restaurant can accommodate 198 diners at one time.

Kampachi has won numerous accolades, including awards from Tourism Malaysia and also listed in the Miele Guide as the best Japanese restaurant, and among the top four restaurants in Malaysia for 2011/2012. **By Nor Ain Mohamed Radhi**
